

TWIN CENTRE HERICANES

Jersey Care and Instructions

**Name Bar
Placement**

**Sponsor Bar
Placement**

- Name bars and sponsor bars are to be attached using a basting or zig zag stitch that can easily be removed
- Name bars are to be removed by the player at the end of the season and the jerseys can be returned to the coach or team representative
- Jerseys are only to be washed in COLD water and hang to dry or lay flat. DO NOT put in the DRYER
- You are responsible for the care of your jersey. If damaged, you will be billed to repair it
- Any questions or concerns, please contact the equipment manager or an executive member
